D - disapproved by state

P - Pending

All credits are self-study

DTP - Disinterested Third Party. ISO Quality Testing and Prometric testing facilities are approved in most states as a DTP. If not testing at ISO Quality Testing or a Prometric facility follow proctor registration requirements on www.cffp.edu unless otherwise noted above. A DTP is defined as someone with no business or family relationship with the testing student. Business relationship is further defined as working within the same company regardless of physical location, title or position. In addition, your proctor cannot be a current student of the College for Financial Planning.
