DTP - Disinterested Third Party. ISO Quality Testing, PSI and Prometric testing facilities are approved in most states as a DTP. If not testing at an ISO Quality Testing, PSI or a Prometric facility, follow proctor registration requirements on <http://ecampus.cffp.edu/info/exam> unless otherwise noted above. A DTP is defined as someone with no business or family relationship with the testing student. Business relationship is further defined as working within the same company regardless of physical location, title or position. In addition, your proctor cannot be a current student of the College for Financial Planning.
